Common Questions

We already have the ACN large-dish system, do we need to purchase anything?

We already have a digital receiver and small dish that can receive 3ABN on GE 4, do we need to purchase anything?

No! Just visit www.acn.info to learn how to tune in the new channel.

I have Sky Angel, DISH Network or DirecTV—do I need to buy anything?

YES! ACN cannot purchase time on those networks so you will need one of these packages if you want ACN/ATN. ACN does not charge a subscription fee on AMC 4.
